

## Consent and Agreement (including a disclaimer)

### CONSENT

It is essential that the information provided by you for the purpose of this treatment is accurate and complete and that you are given a copy of this sheet and have read and understood its contents.

Your signature indicates that this is so and that you agree to the cost of the treatment.

It also indicates that you faithfully make the following statement.

### CONSENT and AGREEMENT

I have been advised and fully informed by .....concerning any of the following treatments or procedures (cosmetic tattoo/skin needling/makeup application and or other) I am undertaking and any possible side effects and results. I accept that occasionally the treatment or procedure may not produce the actual effect I desire and that results may differ and understand that occasionally human error occurs.

I hereby authorise and direct.....to proceed and administer any treatment/procedure as agreed.

I agree and consent to my photos being used as a record of my before/after and healed stages of treatment/procedure and also as advertising material for Bespoke Cosmetic.

My signature below constitutes my acknowledgment that the proposed process has been explained to me and I am fully informed. I hereby give my consent and authorisation and release ..... and its agents of any claims that I have, or may have in the future in connection with the described treatment.

I understand that I can discontinue treatment at any stage.
